Happy 20<sup>th</sup> Birthday  
to B/ISB!  
Minibeasts and Cats  
hit the town!

The Year 5s' stunning interpretation  
of Macavity the mystery Cat

Dear Parents,

What a wonderful week of sport, celebration and excitement as KS1 enjoyed their Sports Day, the Archery tournament hit the mark, and we all finally came together, for the very first time since March 2020, to celebrate the 20<sup>th</sup> Birthday of BISB with an extravaganza of costumes, singing and dancing – what a very special day!

The children were quite amazing – with their bright headbands or their stunning cat face paint and origami claws, they brought the playground to life and filled it with energy, singing and dancing. If ever we as teachers sometimes wonder what we are doing at the end of the day, a morning like today makes us remember just how lucky we are to have such fantastic children, who always rise to the occasion, give their all and bring the sunshine back. There is no doubt that the last year and a half has been challenging for everyone, but today's celebration shows just how resilient our children can be. They have the enthusiasm, determination and sheer joy of life to overcome difficulties and to make the most of every possible opportunity. From the smallest Nursery children, who sat absolutely transfixed for the entire two-hour performance, to our oldest Year 6s who will be leaving us next week, they all made us very proud. A special mention goes to the year 6s, who not only performed their songs and dances beautifully, but also took on the organisation of the Oak department contributions – making sure that everyone knew what to do, and when, and coordinating costumes and stunning face painting. And then there were the two comperes for the day, who definitely deserve another special mention – Rohan and Abheer are stars in the making with natural talents for event management, to say nothing of comic touches that could take them far as a duo! Mrs. Tolentino did a great job recording the show and it will be up for you to see after the weekend. We're so sorry you couldn't share it with us live, let's hope next year will be different and that we can all enjoy the shows together again.

This is the last Home School Letter of the year, and I would like to take the opportunity to thank you all as parents for the constant support and encouragement that you have given us over what has been another challenging year. It has made a real difference and been much appreciated by all of us. I would also like to highlight the extraordinary determination and hard work of all of the teachers, who have done their utmost (and beyond!) to ensure that this year was as positive and successful as possible. We are all, like the children, looking forward to breaking the bubbles and enjoying life beyond our own classrooms, and also to welcoming you back into school again!

We hope you all have a very safe, peaceful holiday and wish all of those families leaving us the very best in the future, wherever you are. As ever, the end of a school year also brings the departure of our Year 6s. They have been a truly wonderful group and we wish them good luck and happiness in their new schools – we will miss them all, but we are quite sure they will continue to do extremely well and take our BISB values and determination with them. We would also like to thank Mrs. Gazeau for her sterling work on our project development over the last two years and wish her well in the future. For all of you, the doors at BISB are always open and we look forward to hearing your news.

The School Office will be open until July 16<sup>th</sup> and re-open on August 16<sup>th</sup>. Please don't hesitate to contact us by phone or by email during the holiday period should you need to. We look forward to seeing you again on Wednesday, 1<sup>st</sup> September, when the doors will be open at 8.30!
